**Re: *3M Company v. Performance Supply, LLC*; Case No. 1:20-cv-02949-LAP
Update on Status of the Action**

Dear Judge Preska:

We represent Plaintiff 3M Company (“3M”) in the above-referenced civil action. Pursuant to this Court’s December 9, 2021 Order (Dkt. No. 29), I write to update the Court on the status of the action.

As the Court may recall, it entered a preliminary injunction against Defendant Performance Supply, LLC (“Defendant”) on May 4, 2020. *See* Dkt. No. 22. Thereafter, Defendant failed to respond to the Complaint by its May 5, 2020 deadline to do so. *See* Dkt. No. 18. Approximately two weeks later, Defendant’s principal, Mr. Ronald Romano, was charged by the United States Attorney for the Southern District of New York in a three-Count criminal Complaint regarding his participation in an alleged “multi-faceted fraud scheme” to sell 3M-branded N95 respirators to government agencies at grossly inflated prices during the COVID-19 global pandemic. I enclose a copy of the Docket from the criminal proceeding for the Court’s convenience.

3M is hopeful that the criminal proceeding will help unravel this vast, complex alleged conspiracy to assess whether it should: (i) seek leave to file an Amended Complaint in this action based on the allegations in the criminal Complaint, and/or (ii) obtain a Certificate of Default, and then move for a Default Judgment against Defendant. However, due to the complexity of the multi-defendant criminal proceeding, it appears to be proceeding slower than expected. For example, Mr. Romano recently filed a Motion to Dismiss on October 22, 2021, and retained new defense counsel on November 2, 2021. *See* Enclosure at p. 7.

The Honorable Loretta A. Preska

To date, no counsel has appeared on behalf of Defendant in this action, nor has Defendant answered the Complaint. 3M is working diligently to see whether newly retained criminal defense counsel for Mr. Romano will appear in this action on behalf of Defendant, and stipulate to a stay during the pendency of the criminal proceeding. Thus far, efforts to reach Mr. Romano's defense counsel have proven unsuccessful. In the meantime, 3M respectfully submits that it should continue deferring to the criminal proceeding before prosecuting its claims further in this action against Mr. Romano's company and/or any additional parties brought to light by the criminal proceeding.

We thank the Court for its time and consideration.

Respectfully submitted,

/s/ Carmine R. Zarlenga
